

Name: _____

Dinosaur Clues

Read the rhymes and find an adaptation that fits each clue. In the space provided name or describe the adaptation that solves the clue, as well as which dinosaur (or other reptile)* it belongs to.

*Use the Dino Hall Dwellers images to choose the dinosaur/reptile for each adaptation.

1. The first adaptation to detect, is one that's used to protect:

2. Next is an easy feat, find an adaptation for eating meat:

3. Now find a reptile with a limb, adapted not to walk, but swim:

4. This adaptation supports the weight, of dinosaurs whose size was great:

5. This is it, the very last! Find **TWO** adaptations to run fast:

Dino Hall Dwellers

TRICERATOPS

TYRANNOSAURUS REX

Dino Hall Dwellers
